Lawrence S. Maullon

Dayap, Carmona City 4116 | (+63) 912 702 8364 | Lawmaullon@gmail.com | github.com/Law-1927

PROFESSIONAL SUMMARY

Third-year BS Computer Science student with hands-on cybersecurity practice through TryHackMe and HackTheBox labs (penetration testing, network security, CTF challenges) and personal Windows security audits using PowerShell. IT intern experience in web development and database design with PHP and MySQL, and working knowledge of Linux and Windows.

EDUCATION

Cavite State University – Don Severino delas Alas Campus — Indang, Cavite

Bachelor of Science in Computer Science — Expected June 2028

Relevant coursework: Data Structures & Algorithms, Database Systems, Web Development, Software Engineering, Discrete Mathematics

EXPERIENCE

Granvia Realty — General Trias, Cavite

IT Intern — Jul 2026 – Sep 2026

- Developed and maintained an internal web-based management portal for payment monitoring and agent accreditation tracking
- Designed a normalized MySQL database schema; built AJAX-powered search, automated payment calculation, and mobile-responsive UI
- Collaborated directly with management to gather requirements and deliver working software

PROJECTS & ACADEMIC WORK

ALT F4 Booking System – Team Project (Lead Developer) — Sep 2026 – Present

- Developing a web booking and records system for a car coating shop; set up the Supabase backend and ran the initial database schema migration
- Built login/registration, vehicle and service selection, date/time slot booking with confirmation, and a staff dashboard (HTML, JavaScript, supabase-js, Git/GitHub)

SKILLS & INTERESTS

Programming Languages: PHP, JavaScript, SQL, HTML/CSS, Python, Java
Tools & Platforms: MySQL, Git, Figma, VS Code, Linux, TryHackMe, HackTheBox
Spoken Languages: English, Filipino/Tagalog
Interests: Cybersecurity & Ethical Hacking · Web Development · UI/UX Design · Animal Welfare

LEADERSHIP & ACTIVITIES

Kabsuhenyo CARES – Merchandise Head — CvSU, 2025 – 2026

- Led merchandise sales and coordinated a puppy adoption drive during the 2026 CvSU University Games

Independent Learning – Cybersecurity — 2023 – Present

- Completing hands-on labs on TryHackMe and HackTheBox; conducted personal Windows security audits using PowerShell
